

Evening School

for Dalit Children in Ponangi Village, Andhra Pradesh, India

Introduction

Education remains a distant dream for many Dalit children in Ponangi due to systemic barriers and lack of access to quality resources. To address this, the Evening Tuition Center aims to provide academic support for **150 Dalit* children**, equipping them with skills essential for their academic and personal development.

*Dalit children belong to the lowest cast and have no access to state/government schools

Project Objectives

1. **Improve Academic Performance:** Offer tutoring in Mathematics, English, Science, and foundational literacy skills.
2. **Foster a Supportive Environment:** Create a safe, welcoming space for focused learning.
3. **Encourage Community Participation:** Involve parents and local stakeholders in supporting children's education.

Location and Renovation Requirements

The center will be located in a vacant building in Ponangi. The following renovations are essential:

- **Electrical Installation:** Ensure safe and functional wiring for lighting and educational tools.
- **Roof Repairs:** Address minor roof damages for a safe environment.

- **Washroom Renovations:** Upgrade two existing washrooms and build two additional facilities to meet student needs.
-

Implementation Plan

1. **Renovation Phase**
 - **Timeline:** 3 weeks
 - Engage local workers to complete electrical, roofing, and washroom renovations.
 2. **Furniture Procurement**
 - **Timeline:** 1 week after renovations
 - Purchase student chairs and tables from local suppliers.
 3. **Teacher Recruitment**
 - **Timeline:** 1 month before classes start
 - Hire qualified teachers through community outreach and advertising.
 4. **Launching the Center**
 - **Timeline:** 1 month after furnishing
 - Host an inauguration to foster community involvement.
-

Expected Outcomes

1. **Improved Academic Performance:** Children gain better literacy, numeracy, and subject-specific skills.
 2. **Increased Confidence:** Students develop motivation and self-assurance through consistent learning support.
 3. **Community Engagement:** Parents and local stakeholders become active participants in the educational process.
-

Conclusion

The Evening Tuition Center will provide a transformative learning opportunity for Dalit children in Ponangi, helping to close educational gaps and improve life prospects. By addressing key infrastructure and staffing needs, the initiative will create a sustainable, impactful resource for the community.

Call to Action

We invite donors and stakeholders to support this essential project. Your contribution will make education a reality for 150 children, paving the way for brighter futures.

Expense budget for Evening School Project
